

# Selecting your Organisational Unit

- When completing the survey, you will need to select your organisational unit from the drop-down menu.
- This information ensures your survey responses are linked to your work unit.
- The next slides provide more detail on the organisational units which will be available for selection by survey respondents.
- If you don't find your Organisational Unit name listed or the Organisational Unit that your team/unit is nested in, select the "Other" option. Please talk to your manager or supervisor if you are unsure.
- If you are the leader of an Organisational Unit listed, choose the 'Other' option (e.g., Heads of School should select their relevant Faculty < Other, Executive Deans should select the Office of the Provost > Other).
- To ensure anonymity as per our Pulse Ethics Charter, only organisational units with over 10 responses will receive Pulse results.
