

This form is for students who may participate in UQ activities in clinical facilities or environments (***excluding** students enrolling in dentistry, doctor of medicine, midwifery or nursing programs) that increase the risk of acquisition or transmission of a vaccine preventable disease as identified in [PPL 2.60.08 Vaccinations and Immunisation](#). The specified requirements are in accordance with the Australian Immunisation Handbook and Queensland Health Policy.

* Students enrolling in dentistry, doctor of medicine, midwifery or nursing programs must complete '[Student Immunisation Record – Form B](#)' to ensure all requirements associated with Blood Borne Virus (BBV) have been satisfied.

Section 1: Information

Students are required to provide evidence of their immunisation or screening status for the diseases listed in Section 2 of this form. Students are reminded that **placements or activities in risk environments identified in [PPL 2.60.08 Vaccinations and Immunisation](#) will not be permitted unless this record is complete.**

Instructions for Students

1. The attached immunisation record is to be completed by a **Registered Medical Practitioner**. To minimise any unnecessary delays and additional costs to you, it is most important you take any past immunisation record (s) to the medical practitioner who will complete this form for you. You must arrange to obtain any required vaccinations or screening tests as soon as possible as it can take some time and multiple visits to the Medical Practitioner to complete this form. The Medical Practitioner must be independent. They cannot be a near relative (e.g. spouse, partner, child, brother, sister, or parent) or a close associate (e.g. a close friend, neighbour, or partner or child of a colleague).
2. **You are also required to complete the Queensland Health [Tuberculosis Risk Assessment Form for Students](#). This is a student self-assessment form to be completed by the student only.** The Submission Method is outlined below.
3. Please ensure that this form (Student Immunisation Record- Form A) has been completed correctly before uploading to your [my.UQ](#) dashboard. Please also ensure that this form is signed and stamped by the medical practitioner (Section 3) and you are required to read and sign the Student Declaration (Section 4). The Submission Method is outlined below.
4. It is your responsibility to track emails and notifications from your my.UQ account to confirm immunisation compliance or respond to a request for additional evidence as soon as possible and prior to the deadline provided by your faculty or school. All information regarding your record status and due dates will be specified in the "View" or "Update" section of your 'My Requests' on your my.UQ dashboard.
5. Please ensure you retain a copy of all documentation in your personal records

Submission Method for Students

Online only (via [my.UQ](#) Dashboard)

You will not be able to submit your documentation until you receive a '**Student Immunisation Evidence Request**' email that has been initiated by your Faculty and provides a link to upload your forms. Once you have received this email, you can also access the student immunisation evidence process via the 'Notifications' section of your [my.UQ](#) dashboard. **Where possible, please upload both your Immunisation Form and TB self-assessment form together.** You will not be able to upload additional forms until the Immunisation Record Team verify your first upload and return a task to you.

For assistance submitting your documents or completing this form please contact immunisation@uq.edu.au.

***Only those cohorts who need to be compliant before the end of 2020, and have been requested by their school to upload documentation to the [Placements \(InPlace\)](#) system, will be verified in Placements.**

Instructions for Medical Practitioners

The Medical Practitioner is to complete sections 2 and 3, ensuring to sign and stamp in Section 3. Please enter all dose dates, serology dates, results and comments as requested on the form. There is no requirement for students to attach laboratory documents.
