UQ AWARDS FOR EXCELLENCE 2018

AWARD CATEGORIES

INNOVATION
Recognises and celebrates individuals and teams that have implemented innovative, effective workplace practices or initiatives, including the development of new systems that improve UQ’s effectiveness and efficiency.

SERVICE
Recognises and celebrates individuals and teams that have made an outstanding and significant contribution to delivering excellence in service to students, staff or the wider community.

DIVERSITY AND INCLUSION
Recognises and celebrates outstanding effort made by individuals and teams in promoting equity, diversity and inclusion within UQ and the wider community.

WELLNESS AND SAFETY
Recognises and celebrates the contributions of individuals and teams who have implemented innovative and exciting ideas and practices which contribute to the wellness, physical and mental health, and safety of our staff and students.

LEADERSHIP
Recognises and celebrates exemplary leadership supporting a positive, performance-based culture and contributing to the achievements of UQ. Such leadership may be demonstrated by individuals and teams in any role across the organisation.
