

# Identifying and disclosing Foreign Influence activities

## Foreign Influence Transparency Scheme Act 2018

START

Academic and nominated senior staff (continuing & fixed-term)

Do you conduct any activity, as part of your UQ duties, for which the **primary or substantial** purpose is to influence a Commonwealth:

- Government decision (e.g. Department, authority or agency)
- Official
- Candidate for election
- Proceeding of either House of Parliament
- Registered political party?

yes

Is the activity on behalf of a foreign entity?

yes

Is the foreign entity a:

- Foreign government
- Foreign political organisation
- Foreign government related entity
- Foreign government related individual?

yes

Is the activity:

- Parliamentary lobbying
- Political lobbying
- Disbursement of funds
- Communication where the **primary or substantial** purpose is to influence a political or government decision or process (e.g. not usual academic publications)?

yes

**Disclosure required as the activity may need to be registered under FITSA**  
*Indicate 'yes' on your disclosure, complete the questions & go to acknowledgement*

no

*Indicate 'no' on your disclosure & go to acknowledgement*

no

*Indicate 'no' on your disclosure & go to acknowledgement*

no

*Indicate 'no' on your disclosure & go to acknowledgement*

no

*Indicate 'no' on your disclosure & go to acknowledgement*

1. If you are unsure if your activity meets the requirements for registration, choose "unsure" on your disclosure, and complete the questions.
2. There are additional requirements if you are a former Cabinet Minister or a recent designated position holder.
3. This is an information resource which is designed to provide guidance to staff. It does not comprehensively reflect the legislative framework.
4. **Research grant applications to Commonwealth agencies with a foreign Chief Investigator (CI) do not need to be captured under UQ's Foreign Influence Disclosure.**
