

## SEEKING GRIEVING MUSLIMS

---

If you have lost a beloved family member, your experience may be useful in this research.

Your departed family member **does not necessarily** have to be within the immediate family.

It can be anyone **you** feel was like family to you.

If you:

- Identify as Muslim or was raised a muslim
- Live in Southeast Queensland
- Are at least 19 years old
- Have lost a loved one (as an adult)

Have you lost a loved one between 6 months to 10 years ago and are interested to participate, you will be asked to commit to:

**ONE** interview **60 - 90 minutes via Zoom.**

---

As the interviewer is female, male participants can choose to have a female relative present during the interview.

If you are interested in participating in this study, please contact **Amirah Shah:**
