Volunteers Needed for COVID-19 Interviews

Would you like to share with us your experiences and challenges faced during the COVID-19 pandemic?

We're doing a comparative research study on disasters, and would like to understand the challenges you experienced, as well as how you perceived your neighbours, community, and support received during this time.

Your participation will be an invaluable contribution towards understanding issues that emerged during the COVID-19 pandemic.

PARTICIPANTS' REQUIREMENTS

- *above 18 years of age*
- *currently residing in the suburbs of
Chelmer/Graceville, Goodna or
Tennyson*
- *able to use ZOOM for online interviews*

Interested participants, please kindly
email Suady at

s.cmohane@uq.net.au

Thank you!
