

Poisons Approval Application – For Research Groups/Divisions

THE UNIVERSITY
OF QUEENSLAND
AUSTRALIA

CREATE CHANGE

Head of Section must approve this form before approval for the use of restricted poisons for teaching and research for a Division or research group, as required for their position under the SMP. The approval will be valid from date of verification for the duration of the GL/CI role at UQ or a change of legislation forces a change on the SMP, a rescindment of the General Approval or other legislative changes, whichever comes first.

Process

1. The Division Head, Group Leader/CI completes form for a research group approval;
2. Head of School/ Institute Director/ Senior Manager signs form of an GL/CI applicant if appropriate skills, online training, other requirements are met, or if satisfied of the qualifications of the applicant;
3. Applicant sends application to the Health Safety and Wellness (HSW) Division at hsw@uq.edu.au.
4. HSW Division verifies and records approval in UQSafe-Certifications and returns the recorded approval to the applicant.
5. HSWD Advisor sends recorded approval to the relevant organisational unit's DO ([Safety Contacts](#)).
